Sanipull fitting pry blade	Fine profile blade that makes opening a clip or adapter clamshell door a snap

1-3. Sanipull fittings for over bed light pulls

*Fixture end of the pull will require both release ball chain adapter and universal Sanipull clip

Order Code	Product Description
USC10	Bag of 10 Universal Sanipull spring clips. This multipurpose clip used on over bed lights is attached onto ball chain adapter (below) to protect fixture from over force pull damage. Also, clip on lower end of pull allows convenient positioning.
BCA10	Bag of 10 Sanipull release ball adapters. Securely connects to fixture switch ball chain. Sanipull clip attaches to the ball end.

Important Product Notes

For complete installation instructions or support information visit www.Sanipull.com or call 1-800-SANIPUL

¹Sanipull spring clip attached onto ball chain adapter provides consistent and reliable 13 +/- 1 lbs (5 +/- 0.5 kg) overforce pull protection for over bed light fixtures. Simply re-attach for ongoing switch protection. If the user-end of the ribbon is attached onto linen or looped around bed rail with the clip snapped onto the ribbon, the clip will harmlessly release if the safety rail is lowered or the bed is moved.

²Sanipull anti-ligature ribbon (symbol, PER) option helps mitigate the risk of entanglement or strangulation with a proprietary safety breakaway designed to tear apart at 29 +/- 2 lbs (13 +/- 1 kg) force at 74 °F (23 °C). Anti-ligature ribbon is factory modified with nominal 5/16" diameter holes punched every 6-7 inches along its length. Because of the nature of this ribbon modification, warranty extends only to the attachment fittings. **Note:** Wilshire Works or its distributors will not be held liable for death or damages directly or indirectly involving any Sanipull product.

Standard Sanipull ribbon colours: blue (B) for over bed light pulls and red (R) for nurse call pulls.

Sanipull is a durable solution that can be repaired by replacing damaged components. Wilshire Works offers a 100% end user satisfaction guarantee and a lifetime replacement warranty on SuperSanipull fittings if correctly installed.

Wilshire Works continually works to improve its products and therefore reserves the right to make design or material changes.
